

## FIRE & SAFETY SYSTEMS

Increasingly stringent health and safety regulations place even greater demands on today's commercial property owners, local authorities, businesses and employers. At KES, we understand the importance of finding the right company to design, install and maintain your safety systems — which is exactly why it's one of our specialist areas of expertise.

- Fire Detection Alarms
- Fire Extinguishment Systems
- Portable Fire Extinguishers
- Emergency Lighting
- Nurse & Warden Call Systems
- Staff Safety Systems
- Disabled Persons Refuge Systems

With the reassuring back-up of a full 24 hour, 365 day emergency breakdown call-out service available, our clients can stop worrying about their safety systems and get on with the day to day running of their businesses.
