

## SECURITY

Unfortunately in this day and age we live with the ever-growing threat of physical violence, vandalism or theft from intruders and in some cases even from employees.

Kestrel Electrical Systems specialises in the design, installation and maintenance of security systems that have protected our clients from theft, protected their property and even secured convictions.

- Single & Multi Camera CCTV Installations
- Covert Surveillance Systems
- Audio & Video Door Access Systems
- Automated Door Controls
- Automated Car Park Barriers & Gates
- All available with Full IP Integration

Our expertise and knowledge of the latest technology in the field means we can provide the best solution for your property or premises, no matter how large or small.
